Through pestilence and fire fruits of trees will perish,
 Signs of oil to abound. Father Denis not scarce:
 Some great ones to die, but few foreigners will sally forth in attack,
 Offense, Barbarian marines, and dangers at the frontiers.

Rains very excessive, and of blessings abundance,
 The cattle price to be just, women outside of danger:
 Hail, rain, thunder: people depressed in France,
 Through death they will work, death to reprove people.

Arms, plagues to cease, death of the seditious ones,
 Great Father Liber will not much abound:
 Evil ones will be seized by more malicious ones,
 France more than ever victorious will triumph.

Up to this month the great drought will endure,
 For Italy and Provence all fruits to half:
 The Great One less of enemies prisoner of their band,
 For the scroungers, Pirates, and the enemy to die.

The enemy so much to be feared to retire into Thrace,
 Leaving cries, howls, and pillage desolated:
 To leave noise on sea and land, religion murdered,
 Jovial Ones put on the road, every sect to become angry.
